### State Opens Patrolmen Applications

A professional career in a highly respected law enforcement organization is the opportunity being offered young men now by the California Highway Patrol, Commissioner Bradford M. Crittenden said today. "Applications for the position of state traffic officer are being accepted through July 23. Application blanks are available at any Highway Patrol office. They must be filed no later than midnight on that date." Interested men must be 21 to 31, high school graduates or the equivalent, in good health with no disabling defects, have normal hearing

and vision, be 5 feet 9 to 6 feet 6, and have been California residents at least one year.

"Advantages of serving with the Patrol include generous salary and other benefits, the opportunity for steady advancement based on individual merit, and the satisfaction of performing a responsibility that is of extreme importance to the well-being of every California citizen," the commissioner said.
